Congratulations, Roads & Transport Authority (RTA) and SALIK.

Dubai ranks as one of the most innovative areas in the world. And when it comes to transportation, Dubai is once again raising the bar for world-class excellence. From Salik's award-winning launch of the world's widest open road tolling zone (40.3 meters or 132 feet) to their world-acclaimed customer care service center with multilingual accounts – Dubai consistently demonstrates its commitment to improving their motorists' experience.

As your Salik system develops and grows, TransCore will be there with you every step of the way. We are dedicated to your success in providing innovative, environmentally responsible, and practical transportation solutions.
