POWERED BY  
**loadlink**<sup>®</sup>

Created by TransCore and powered by Loadlink, 3sixty Freight Match will play a critical role in

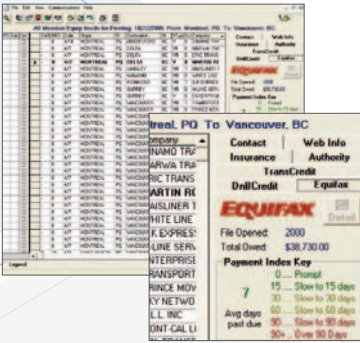

your success. Designed around the way you work, 3sixty Freight Match is easy to use. The database is updated continuously, giving you instant results to all the information you need to make fast, informed decisions.

**Exclusive Loads and Trucks.** 3sixty Freight Match brings together the largest collection of quality business partners, so you'll find loads and trucks you can't find anywhere else. You'll have access to Canada's largest database of available loads and trucks – guaranteed!

**Unlimited Access.** One flat monthly rate combined with powerful search options, greater flexibility, a variety of research tools and financial

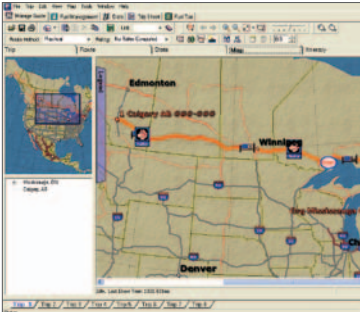

Improve your efficiency and watch your business run better.

services. TransCore's 3sixty Freight Match – the only source you need for everything you do.

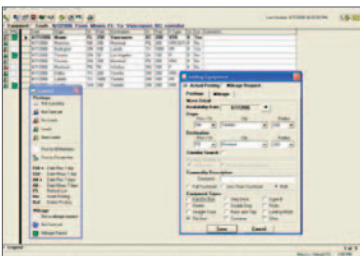

## Powerful search options get the results you need.

- **Unlimited Access.** Get unlimited access to all load and equipment postings. There are never any additional fees or hidden charges.
- **24/7 Web Access.** Access 3sixty Freight Match from anywhere that you can access the internet.
- **Live Search.** Show new opportunities as they appear every 60 seconds.
- **Largest Database in North America.** Direct access to TransCore's complete U.S. database. DAT Services is the largest load and equipment matching service in the U.S. A must for any company dealing in cross-border or interstate shipments.
- **Corridor Search.** Maximize the profitability of any trip by finding loads or trucks along any stretch of lane you select; A perfect way to reduce deadhead miles and for LTL carriers to maximize capacity and profitability.
- **Carrier Download.** View all available equipment by any state, province or region in North America. Find the carriers and the equipment you need without posting your freight, eliminating the need to handle time-consuming inbound calls for your "hot" loads.
- **Combined Radius Search.** User-defined radius search allows you to search for loads or equipment - up to 1,000 miles! User-defined radius search replaces complicated and inefficient regional postings.

## One click research - get the information you need.

- **Members Listing.** 3sixty Freight Match maintains a running list of everyone on the network with whom you have ever matched. Use the built-in contact manager to keep notes of your experience with other members.
- **Online Mileage and Routing.** Mileage and detailed truck routings are supplied by ProMiles.® Get immediate access to daily diesel fuel prices at over 5,000 truckstops across North America. Utilize the fuel optimization features and save thousands of dollars in fuel expenses each year.

## Make more informed decisions. Find good partners.

- **Credit Scores.** Unlimited online credit reports from Dun & Bradstreet,® Equifax,® and Transcredit.® Daily alert notifications inform you if customers have been the subjects of legal action and/or collection activity, including NSF cheques.
- **IOAC Insurance & Operating Authority Confirmation.** View verified insurance details and operating authorities for all customers in our system. Know at a glance whether the potential counter party has the proper authorities to handle your freight.
- **Quickpay Program.** Through LinkCredit, get paid for your invoices within 24 hours.

## Flexibility around every turn.

- **Exclude.** You decide who gets to see your posting. You can restrict access to your information from any subscriber which you do not want to do business with.
- **Private Members Network.** For quick access, create a list of your preferred partners.
- **Driver Recruiting Assistance.** Driverlink, our online recruitment service, helps your company find qualified drivers and owner operators. Our online community makes the recruiting process easier and more cost-efficient. Unlimited job postings and searches.

## Additional member benefits.

- **Product and Service Discounts.** We have negotiated significant discounts and savings with suppliers of products and services that you use everyday. Put our buying power to work for you.
- **Stay Connected With Your Customers.** Utilize our email and database system to easily stay in contact with all subscribers in your members listing.
- **Real-time Chat.** All 3sixty Freight Match Canada subscribers can chat in real-time with any other 3sixty Freight Match Canada subscriber.

Easy to learn.  
Easy to use.

Built to work  
the way you do.

The brains behind the 3sixty Freight Match system is the Loadlink network – the most sophisticated, technologically advanced electronic market place in the transportation industry. Whether a
